Vorwort

Der Katalog des Deutschen Musikgeschichtlichen Archivs ist bisher in vier vollständigen Bänden (= Heft 1-24) und den ersten zwei Heften des 5. Bandes erschienen (Heft 25 u. 26). Jeder der fertigen Bände verfügt über ein eigenes Register. Eine erste große Zäsur bei der Erstellung des Kataloges wird der 6. Band sein, der nach Erscheinen des Heftes Nr. 30 als Gesamtregister zu allen fünf Katalogbänden folgen soll.

Die Handhabung der vier Einzelregister und der zwei bislang nicht durch ein Verzeichnis erschlossenen neuen Hefte 25 und 26 ist mittlerweile recht unbequem geworden. Da bis zum Erscheinen des 6. Bandes noch einige Zeit vergehen kann, wird das Gesamtverzeichnis hiermit in einer ersten Version zur Verfügung gestellt, die einen Zugang zum Inhalt der vorliegenden 26 Hefte bietet.

Zu beachten ist, daß es sich hierbei um eine „Arbeitsversion“ handelt: Insbesondere bei der Ergänzung bisher abgekürzt wiedergegebener Vornamen und bei der Zusammenführung von Nachweisen, die in früheren Registern unter verschiedenen Schreibungen ein und desselben Namens eingeordnet waren (z. B. unter der deutschen und der latinisierten Form bzw. dem Pseudonym), sind Unstimmigkeiten zu erwarten. Daher empfiehlt es sich, verschiedene Namensschreibweisen sowie Pseudonyme bei der Suche einzubeziehen.

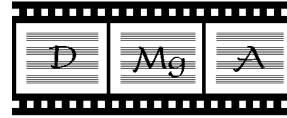

Dem Gesamtregister ist eine Liste neu bekanntgewordener „Corrigenda“ zu allen Bänden und Einzelregistern beigegeben.

Das Register kann über das Internet (<http://www.dmga.de>) online benutzt werden; unter gleicher Adresse wird auch eine ausdrückbare *.pdf-Datei zum Download bereitgestellt. Die nächste Version wird voraussichtlich erst der Band 6 selbst sein, daher lohnt sich ein Ausdruck dieser Datei.

Hinweise auf fehlerhafte Vornamens-Ergänzungen, unentdeckte Pseudonyme und sonstige Unstimmigkeiten werden gerne entgegengenommen.
